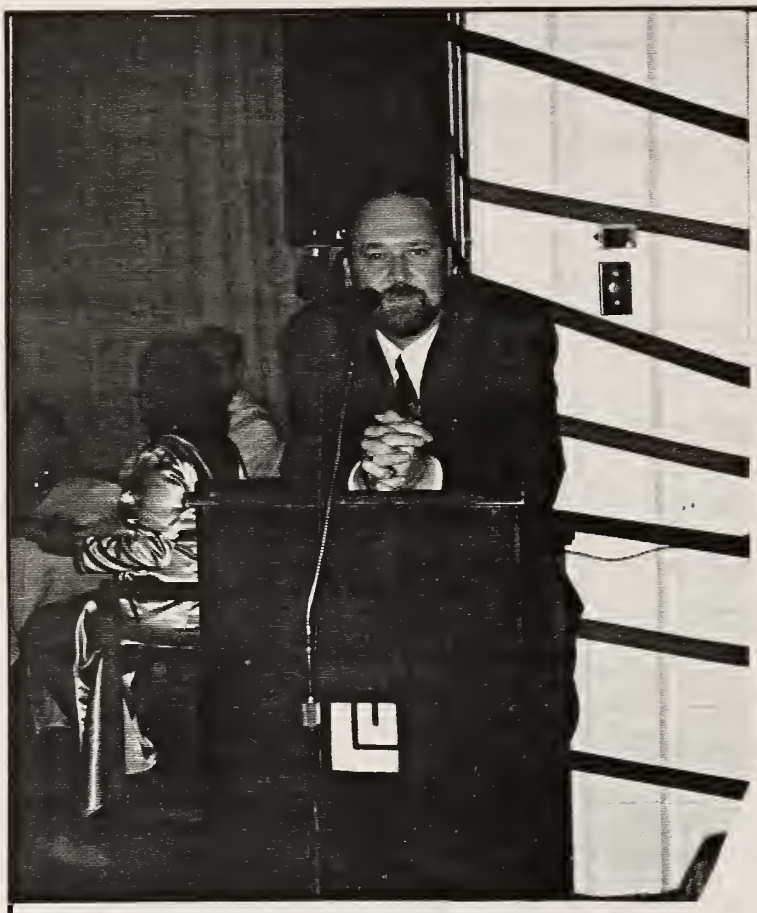
DR. R. ROSEHEART
PRESIDENT OF LAKEHEAD UNIVERSITY

After the year of the great storm and the "deep freeze" government cuts, this year has been a year of focus and change. We continue to try to improve both the University's services and Residence life. We are not always successful, but we do keep trying, and our successes are often the result of your input and participation.

If you have ideas or concerns, please come and speak with me personally or e-mail me at Bob.Rosehart@LakeheadU.ca.

Best of luck with your examinations, have a great summer, and see you next year.

ROBERT G. ROSEHART, President



DAVID HARE
MANAGER OF RESIDENCE

Congratulations to the 1996-97 yearbook staff on the creation of the annual Residence Yearbook. 1996-97 has been a busy year and it is hard to believe that it is coming to a close. Participation and involvement is what residence is about. This year there has been involvement on all fronts which contributed to the residence as well as the university and city communities. To name all the accomplishments would be overwhelming, however it is necessary to name a few. The residence involvement with the used toy drive, the SUDS Committee and their involvement with Bacchus, the O.P.P. Christmas Parade, the Residence Formal, all Residence Sports, the Residence Improvement and the Residence Food Committees to name only a few, has effected each and everyone of us.

Your stay in residence will be an experience you will hold close for the rest of your life. This publication will be the source of much conversation as you proceed through your career. Memories have been captured and presented so you may share with friends and families for many years to come.

Good Luck to all of you on your exams. Congratulations to those of you graduating and proceeding on to the next step in your career.

May you have a safe and happy summer.

Sincerely,

David Hare

NORMA JEAN NEWBOLD
RESIDENCE LIFE COORDINATOR

Each year the face of residence changes. I continue to be impressed by the stellar quality of the people we attract here at Lakehead University. This year we have many individuals involved in a variety of aspects of residence life. We are an ecclectic mix of individuals who come together for a common good. Residence continues to be an integral part of the LU experience.

Best Wishes,

Norma Jean Newbold
Residence Life Coordinator.

SHAWNA HICKEY
RESIDENCE PROGRAMMER

WOW! It is hard to believe that yet another year has come and gone. I hope that living in residence has proved to be another great experience for all of you. I know that I had a fun time and will miss being a part of residence festivities. Remember all the fun times you had, the friends you made, and the lessons you've learned that will carry you through life. Living in residence is a special experience and one that will not be easily forgotten.

There is a great network of people in residence that participate in order for all of the activities and events to run. Everything that happens in residence would not occur without the countless volunteers and staff. I would like to thank all of you who sat on committees and supported our events, the office staff and David Hare for always being there, Allison Johnson for doing a wonderful job at putting together all residence sports, Michelle Kiely for doing a spectacular job on the yearbook production and the Residence Assistants and House Presidents for their countless hours and efforts put in to make residence a better place for all of us. A special thanks goes to Tamara, Patti P and Norma Jean for always being there for me when I needed you. Enjoy your years to come. Congratulations and good luck to Julie Kress who will be the 97-98 Residence Programmer. I know you will do a fantastic job.

MICHELLE KIELY
YEARBOOK EDITOR

Well here is the yearbook!!! I am very excited to share this yearbook with you. There has been countless hours placed into the making of this book which could not have been made possible without the help and dedication of many people. Thank you to the yearbook committee for producing amazing layouts, I was extremely impressed! Thanks to Brian Timmons, Shawna Hickey, Norma Jean Newbold, and David Hare for supporting and having faith in me. Thanks to Chastity Sylvestre and Myles Woodman for helping organize the final touches and finally to Kim Meadows for everything!
The theme of Lakehead this year is "The Coolest School on Earth." This theme can be seen throughout the yearbook in all of us! It is not the place that makes it cool (although it might play a factor,) it is the spirit of the students that makes Lakehead the Coolest School. In residence we become a closely knit group! Each of us come together to support one another and care for each other. This bond is what makes Lakehead unique. We really are the Coolest School on Earth!
